

BISHOP JEROME INSTITUTE

School of Engineering & Technology

DEPARTMENT OF COMPUTER SCIENCE AND ENGINEERING

The Department of Computer Science and Engineering at Bishop Jerome Institute celebrated its annual association day, **AURA'25**, with great enthusiasm on **[24 th September 2025]**. The event brought together students, faculty, and distinguished guests for a day filled with academic excellence, insightful discussions, and vibrant cultural displays.

Morning Session:

The program commenced at **10:00 A.M.** with a solemn **prayer**, invoking blessings for a successful event. This was followed by a **welcome speech** delivered by **Prisha**, the Vice Chairperson, who extended a warm welcome to all dignitaries and attendees.

The **presidential address** was given by **Prof. Deepa S Rajan**, Head of the CSE Department, highlighting the department's achievements and future plans. The audience then had the privilege to hear the **keynote address** by **Mr. Hareesh Rajendran**, the Chief Guest, who emphasized the importance of innovation and ethics in the field of technology.

The ceremonial **lighting of the lamp** at **10:30 A.M.** marked the official inauguration of AURA'25, symbolizing the light of knowledge and progress. This was followed by the **report submission** by **Heleena R**, the Secretary, detailing the department's activities and milestones achieved throughout the academic year.

At **10:40 A.M.**, the event moved into the **felicitation** segment where notable dignitaries including:

- **Rev. Fr. Benjamin Palliyadiyil** (Manager, BJI)
- **Dr. Anil A R** (Principal, BJI)
- **Fr. Arun J Aradan** (Bursar, BJI)
- **Dr. Kim J. Seelan** (Vice Principal, BJI)
- **Prof. Roy S.** (Dean, BJI)

were honored for their continuous support and guidance.

This was followed by the **Academic Excellence Award Distribution** recognizing meritorious students for their outstanding academic performances.

A **vote of thanks** was delivered by **Fathima Sajeer**, the Joint Secretary, expressing gratitude to everyone who contributed to the success of the event.

Technical Session:

After a short break, a **Technical Talk** on the topic "**Cyber Defense & Forensics**" was conducted by **Mr. Hareesh Rajendran** from **11:30 A.M. to 12:15 P.M.** The session was both engaging and informative, providing students with valuable insights into the modern-day challenges and solutions in cyber security.

Afternoon Session:

The **Technical Events** segment started from **1:30 P.M.** , featuring **interactive tech games** that tested the creativity and technical acumen of the participants.

Two technical events conducted and a prize range of 1000 for each winners provided by department .

The event concluded with **Cultural Events** from **2:30 P.M. to 4:30 P.M.**, where students showcased their talents in music, dance, drama, and other performances, celebrating the spirit of togetherness and joy.

AURA'25 was a grand success, fostering academic brilliance, technical skill development, and cultural integration. The event reflected the vibrancy and unity of the CSE department and served as a platform for students to learn, express, and grow.
