

Report

Workshop Report on “AI & ROBOTICS”

Date: 27 November 2025

Mode: Offline

Organized by: Department of Computer Science & Engineering

Time: 10:00 AM – 04:00 PM

Venue: CSE LAB, Bishop Jerome Institute

Program Convenor: Ms. Deepa Rajan S, HOD & Associate Professor, CSE

Program Coordinators:

- **Ms. Sibimol J**, Assistant Professor, CSE, BJI
- **Ms. Sanjumol A**, Assistant Professor, CSE, BJI

Introduction

The Department of Computer Science and Engineering at Bishop Jerome Institute organized a one-day hands-on workshop titled "**AI & Robotics**" on 27 November 2025. The primary aim of the workshop was to equip students with foundational knowledge of Artificial Intelligence and Robotics, focusing on practical engineering applications.

Workshop Objective

The main objectives of the workshop were:

- Introduce students to Artificial Intelligence and Robotics: Provide an understanding of basics and applications.
- To prepare students for industry-level coding standards and practices.
- Enhance learning through expert guidance.
- Explore Artificial Intelligence and Robotics in a practical setting: Hands-on training in Robotics.
- Insights into real-world applications.
- Guidance on AI-driven robotic systems.
- Q&A sessions for clarifying doubts.

Resource Person

Shinoj Simon

Robotics Trainer

Shinoj Simon delivered expert sessions on Artificial Intelligence and Robotics, blending theoretical insights with hands-on practice. His engaging delivery and practical demonstrations made the learning process highly effective and enjoyable for the students.

Inauguration and Distinguished Guests

The event was inaugurated in the gracious presence of:

- **Dr. Anil A.R, Principal, BJI**
- **Prof. Deepa Rajan S, HOD & Associate Professor, CSE, BJI**

The workshop's inauguration was graced by **Dr. Anil A.R.**, Principal of BJI, who highlighted the significance of acquiring skills in Artificial Intelligence and Robotics to remain relevant in the industry. He urged students to seize opportunities like these technical sessions to continuously enhance their skills. His presence and words energized the students for the workshop.

Workshop Highlights

- The AI & Robotics Training Program gave students a solid intro to intelligent systems, sparking technical curiosity and hands-on learning that aligns with the latest tech trends. Students were encouraged to engage in practical sessions to build confidence in coding.

Conclusion

The "AI & Robotics" workshop was a huge hit, thanks to the enthusiastic participation of students and faculty alike! The interactive, informative, and hands-on sessions sparked a deeper interest in AI & Robotics, leaving attendees eager for more advanced sessions in the future. The overwhelmingly positive feedback is a testament to the workshop's success!
