

REPORT: THE B-DAY BOOKS EVENT

Title: B-DAY BOOKS

Date: January 22, 2026

Mode: Offline

Venue: Room No.207, MBA Block, Bishop Jerome Institute

Organized by: Department of Electrical & Electronics Engineering

Program Coordinator: Ms. Tensy Thomas, Assistant Professor, EEE

B-Day books donation was inaugurated in the Department of Electrical & Electronics Engineering on January 22nd at 4PM in the MBA block by the principal Dr.Anil A R. Six students celebrated their birthdays in the month of January and actively participated in the event.

Objective

The aim of book donation is to expand access to education, encourage reading habits, and promote social equity by ensuring that knowledge and imagination are not limited to those who can afford books. It helps build libraries, supports schools, and empowers communities with lifelong learning opportunities.

Conclusion

Electrical & Electronics engineering department collected ten books in the month of January. The students were asked to continue the process in order to facilitate collection of morebooks.
