

# IEEE Awareness Program – Event Report

## 1. Title of the Event

IEEE Awareness Program

## 2. Date and Time

- **Date:** December 5, 2025
- **Time:** 3:30 PM to 4:30 PM

## 3. Venue

Seminar Hall, BISHOP JEROME INSTITUTE

## 4. Organizing Body

IEEE (Institute of Electrical and Electronics Engineers)

## 5. Resource Person

**Dr. Biju K.**  
Chair, IEEE JT Chapter

## 6. Number of Participants

Approximately **200 students** attended the program.

## 7. Objective of the Program

The objective of the IEEE Awareness Program was to create awareness among students about IEEE, its mission, global presence, and the professional and technical benefits of IEEE student membership. The program aimed to encourage students to engage in IEEE activities for academic enrichment, skill development, and career advancement.

## 8. Program Description

The IEEE Awareness Program was successfully conducted on December 5, 2025, from 3:30 PM to 4:30 PM at the Seminar Hall. The session was led by **Dr. Biju K., Chair of the IEEE JT Chapter**, who delivered an informative and engaging session on IEEE and its role in advancing technology for humanity.

Dr. Biju K. introduced students to the structure of IEEE, including its societies, technical chapters, and global network. He explained the importance of IEEE student membership and highlighted benefits such as access to the IEEE Xplore Digital Library, participation in conferences and workshops, research publications, scholarships, and leadership opportunities.

The session was interactive, with active participation from students. Approximately 200 students attended the program and showed keen interest through questions and discussions.

## 9. Outcome of the Program

- Students gained a clear understanding of IEEE and its global significance.
- Awareness of IEEE student membership benefits was enhanced.
- Students were motivated to join IEEE and participate in future IEEE activities.

## 10. Conclusion

The IEEE Awareness Program was informative and successful in achieving its objectives. The session by Dr. Biju K. effectively inspired students to explore IEEE opportunities and actively participate in professional and technical development activities.

Dr. Biju K.
