ACM Inauguration and Idea Pitching Contest

Date: 23-03-2026

Mode: Offline

Organized by: Department of Computer Science & Engineering

Time: 10:00 AM – 11:00 AM

Venue: 6th Floor Seminar Hall, Bishop Jerome Institute

Program Coordinator: Ms. Sibimol J, Assistant Professor, CSE, BJI

Introduction

The Department of Computer Science and Engineering at Bishop Jerome Institute organized the **ACM Inaugural Ceremony and Idea Pitching Contest** under the ACM Student Chapter. The event was conducted on **23rd March 2026** at the **6th Floor Seminar Hall** from **10:00 AM to 11:00 AM**.

Event Objective

The main objectives of the event were:

- To promote innovation and technical knowledge among students
- To provide a platform for students to present creative ideas
- To enhance problem-solving and critical thinking skills
- To improve communication and presentation abilities
- To expose students to real-world challenges and industry expectations
- To encourage participation in technical and professional activities
- To bridge the gap between academic learning and industry practices

Chief Guest

Mr. Shabi Kamal

Associate Lead in Business Development at Techversant Infotech Pvt Ltd.

He has significant experience in the IT industry, particularly in business development and client engagement.

During the session, he shared valuable insights on current industry trends, innovation, and the importance of effective idea presentation. His interaction with students was highly engaging and informative, motivating them to think creatively and develop solutions for real-world problems. His guidance provided students with a better understanding of how ideas can be transformed into successful projects and business opportunities.

Inauguration and Distinguished Guests

The event was inaugurated in the gracious presence of:

- **Fr. Benjamine Palliyadiyil, BJI**
- **Dr. Anil A.R, Principal, BJI**
- **Dr. Kim, Vice Principal, BJI**
- **Dr. Radhakrishnan, Dean of CSE, BJI**

The program commenced with a warm **Welcome Address** delivered by **Ashley K John (S6 Data Science)**, who greeted the dignitaries, faculty members, and students, marking the beginning of the event.

The **Presidential Address** was given by **Fr. Benjamine Palliyadiyil**, Manager of the institution, who emphasized the importance of innovation and professional development among students.

The official inauguration was carried out by **Dr. Anil A R**, Principal of the institution, through his **Inaugural Address**, where he highlighted the significance of platforms like ACM in nurturing technical skills and creativity.

Following this, the **Felicitation Address** was delivered by **Ms. Sibimol J**, ACM Coordinator, who formally introduced the members of the ACM Student Chapter of Bishop Jerome Institute. She highlighted the roles and responsibilities of each member and emphasized their contribution towards organizing technical activities and promoting innovation among students.

An engaging **Interactive Session** was led by the chief guest, **Shabi Kamal**, Associate Lead – Business Development at Techversant Infotech Pvt Ltd. He shared valuable insights on industry trends, innovation, and the importance of presenting ideas effectively. His session motivated students to think creatively and solve real-world problems.

As part of the event, an **Idea Pitching Contest** was conducted, where students presented innovative ideas within a time limit of **3–5 minutes**, showcasing their creativity and problem-solving skills.

The program concluded with a heartfelt **Vote of Thanks** delivered by **Prisha Meria Aju (S4 Data Science)**, expressing gratitude to all dignitaries, organizers, and participants for making

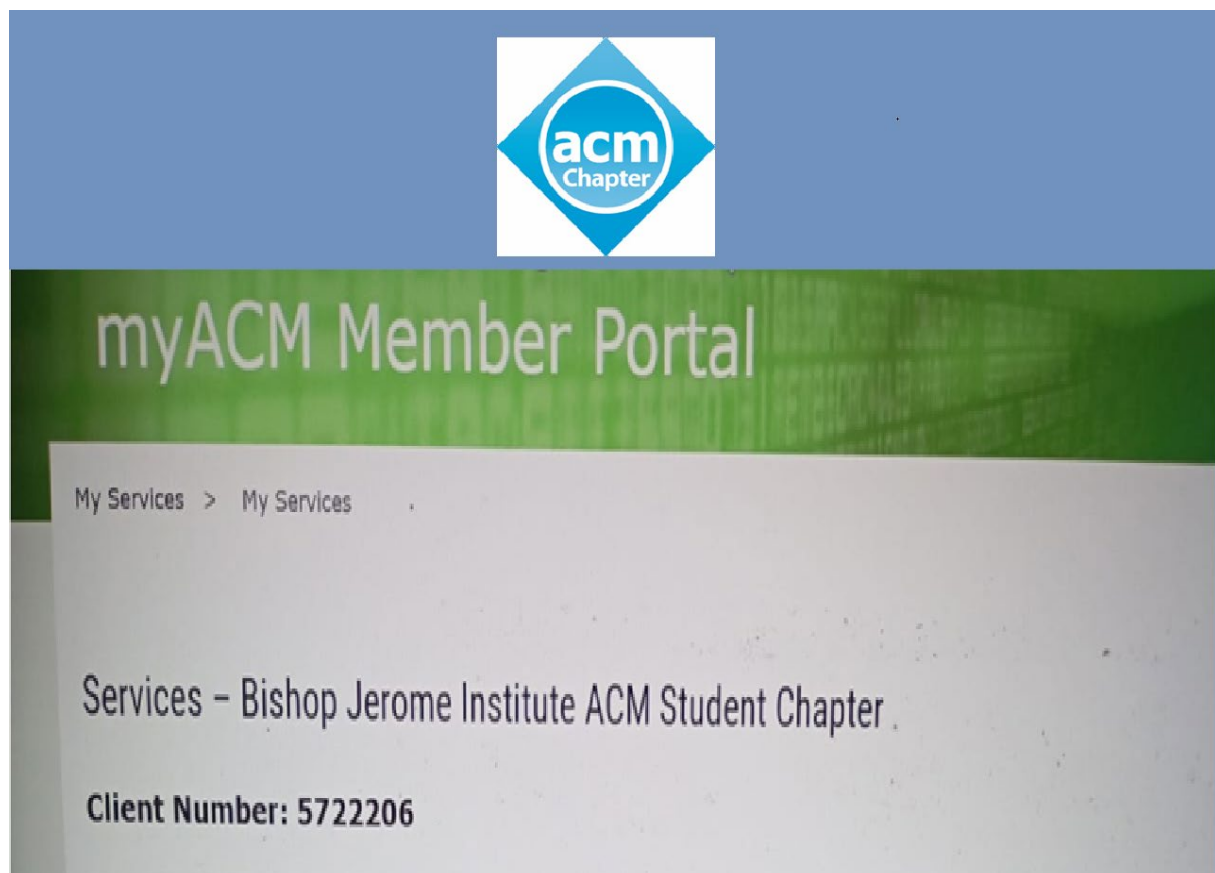

the event a success.

Event Highlights

- Conduct of **Idea Pitching Contest** encouraging innovation and creativity
- Active participation of students from Computer Science and other streams.
- Opportunity for students to present real-world problem-solving ideas
- Enhancement of communication and presentation skills
- Well-organized event with smooth coordination and time management

Conclusion

The ACM Inaugural Ceremony and Idea Pitching Contest was a grand success, providing a valuable platform for students to explore innovation, enhance presentation skills, and gain exposure to real-world problem-solving approaches.
